Application for Membership should be addressed by letter to the Secretary, Royal Economic Society, The Marshall Library, Sidgwick Avenue, Çambridge CB3 9DB, England. The Annual Subscription is five pounds. Those joining the Society below the age of 25 shall, for the first three years of their membership, pay an annual subscription of three pounds. Those who have been Members for more than twenty years and are retired from full-time employment may on application pay an annual subscription of two pounds fifty new pence. Any Member may compound for his future annual subscriptions by paying at once the sum of seventy-five pounds, subject, in the case of members who have already paid ten annual subscriptions, to a reduction of eighty new pence in respect of every year for which such annual subscription has been paid, provided that the composition fee does not fall below sixty pounds. There is no entrance fee.

Members of the Royal Economic Society are entitled to receive a free copy of each issue of the ECONOMIC JOURNAL and to buy on special terms one copy of any books published for the Society. They will also be qualified to take part in other activities organised by the Society.

THE ROYAL ECONOMIC SOCIETY

THE ROYAL ECONOMIC SOCIETY (incorporated by Royal Charter, 1902) was founded, under the name of the BRITISH ECONOMIC ASSOCIATION, at a meeting held at University College, London, on November 20th, 1890, the Right Hon. G. J. Goschen, M.P. (the late Viscount Goschen), in the Chair.

The Society has for its object the general advancement of economic knowledge. Its principal activities are:

(a) The production of the *Economic Journal*, which is sent quarterly to all members. The Journal is intended to represent the various shades of economic opinion, and to be the organ, not of one school of economists, but of all. It numbers among its contributors the leading economists of all countries. The Journal is published on behalf of the Society by Messrs. Macmillan and Co. Ltd., London.

(b) Other publications, which are normally offered for sale to members for their personal use at concessionary rates. These include, for instance, the series of *Collected Writings of John Maynard Keynes*, now being published: C. W. Guillebaud's *variorum* edition of Alfred Marshall's *Principles*: volumes of the writings of William Stanley Jevons, including some not previously published: and a new edition of Quesnay's *Tableau Économique*.

(*c*) The arrangement of specialist conferences, including financial assistance for invited contributors and occasionally for others in attendance.

(*d*) The provision of an Information Service about conferences, research theses completed (in the British universities), economists visiting the United Kingdom, facilities for study abroad, and scholarships, studentships and fellowships.

Applications for membership of the Society should be made as indicated on the back of each issue of the Journal. Instructions concerning material for the *Economic Journal* are given on the inside back cover of each issue. Enquiries for the Information Service should be sent to Mrs. M. Henderson, 48 Kidderminster Road, West Hagley, Stourbridge, Worcestershire, DY9 0QD. Other enquiries should be sent to the Secretary-General, Mr. C. F. Carter, University House, Bailrigg, Lancaster LA1 4YW.
